Independent Auditors' Report

Report on the Financial Statements

We have audited the accompanying financial statements of Healthier Colorado, which comprise the statement of financial position as of December 31, 2016 and 2015, and the related statements of activities, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Healthier Colorado as of December 31, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

HEALTHIER COLORADO

NOTES TO THE FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization – Healthier Colorado is a nonpartisan, nonprofit 501(c)(4) organization dedicated to raising the voices of Coloradans in the public policy process to improve the health of our state’s residents. We believe that every Coloradan should have a fair chance at living a healthy life. The people of Colorado are our constituency, and Healthier Colorado aims to make meaningful improvements throughout our state’s diverse communities.

Basis of Reporting – Healthier Colorado’s financial statements have been prepared using the accrual basis of accounting.

Financial Statement Presentation – Healthier Colorado reports its financial position and activities in three classes of net assets; unrestricted, temporarily restricted, and permanently restricted.

Concentration of Credit Risk – Healthier Colorado maintains several bank accounts at one institution. A portion of the Organization’s cash balances are insured by the Federal Deposit Insurance Corporation (FDIC), up to \$250,000. Although at times the balance in these accounts may exceed the federally insured limit, Healthier Colorado has never experienced any losses. The Organization’s cash and investment balances are explained in Note 2.

Cash and Cash Equivalents – For the financial statement purposes, Healthier Colorado considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

Contributions – Contributions received as well as collectible unconditional promises to give are recognized in the period received. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support. Support that is restricted by the donor is reported as unrestricted net assets if the restriction expires in the reporting period in which the support is recognized.

Temporary restricted net assets are reclassified to unrestricted net assets when the donor restriction is satisfied. Conditional promises to give are recognized when the conditions on which they depend are substantially met.
